EXPERIENCE

Total Experience - 3+ Years

Software Engineer | WISDMLABS

September 2020 - Present | Mumbai, India

- Crafted over 40 custom WordPress plugins to cater to unique client needs, serving more than 30 clients.
- Notable creations include a WhatsApp-integrated product plugin with 600+ installations and a WooCommerce payment gateway, enhancing user experiences.
- Developed websites from scratch and created plugins that adhere to WordPress standards, showcasing expertise in both service-based and product-based development.
- Built strong client relationships, with some clients showing patience and waiting for months to secure my services.

Software Engineer | WISDMLABS

January 2020 - September 2020 | Mumbai, India
(Internship)

- Proficient in delivering client-focused solutions by collaborating closely with clients, understanding their unique requirements, and translating them into successful digital products.
- Demonstrated expertise in ensuring clear and effective communication with clients, resulting in long-lasting partnerships.
